

## TEQUILA

NOT ALL TEQUILAS NEED TO BE RUSHED, WE RECOMMEND TRYING ONE OF THESE ON ICE WITH A SPICY MEAL OR SAVOURED ON ITS OWN TO GET THE FULL FLAVOUR OF THIS INFAMOUS PARTY DRINK.

**Jose Cuervo traditional** 34

A 100% blue agave tequila aged in oak barrels for a minimum of 2 months.

**Cabrito reposado** 41

Made from 100% of the finest Agave in Jalisco, this superior tequila is rested in old American oak barrels to produce an incredible smoothness.

**El Espolon reposado** 43

Carefully selected white oak barrels are used to age this 100% agave tequila for six months to give it a subtle wooded flavour.

**Don Julio** 70

A mellow elegant flavour with inviting aromas. Aged 8 months in American white oak barrels.

**Herradura reposado** 59

Aged longer than industry standard, around 11 months. Reposado has a rich amber colour with notes of cooked agave, vanilla and butter. This additional time spent resting in charred American white oak creates a smooth, sweet finish with a slight taste of spice.
